CAREER OBJECTIVE

Intend to build a career with a leading corporation and to learn new things in a hi-tech environment. Realize my highest potential working as a key player in this challenging and creative environment.

Education

Aditya Engineering College
Bachelor of Engineering in Computer Science; CGPA: (6.51/10.0)

Surempalem, Andhra Pradesh
Oct. 2020 – Apr. 2023

Andhra Polytechnic
Diploma in Computer Engineering; Percentage: (71.85/100)

Kakinada, Andhra Pradesh
Jun. 2017 – Mar. 2020

Sri Prakesh Synergy School
Board of Secondary Education; CGPA: (7.0/10.0)

Peddapuram, Andhra Pradesh
Jun. 2016 – Mar. 2017

Experience

BrainOvision Solutions | Web Developer Intern
Static and Dynamic Web Development Project

Aug .2022 – Sept. 2022

CISCO| CCNA R&S , Routing and Switching Essentials Intern
Computer Networking Fundamentals, IP services , Routing and Scaling Networks

Nov. 2019 – Apr. 2020

Projects

Disease Prediction in Plants using CNN and Image Processing
- Developed a model using Convolutional Neural Networks (CNN) and Image Processing to identify plant diseases.
- Created a user-friendly web application using Django for disease detection and treatment recommendations.
- Skills Developed: Machine Learning, Python, Django

Dec .2022- Apr.2023

Face Detection using OpenCV
- Implemented a face detection system using OpenCV and cascading classifiers for face and eyes.
- Successfully captured and recognized human faces and eyes.
- Skills Developed: OpenCV, Python, Image Processing

May-2023

Technical Skills

- Programming Languages: Python, Java
- Cloud Services: AWS

Certificates

Introduction to Cloud (CC0101EN, provided by **IBM**)
- Cloud Computing Basics, service models (IaaS, PaaS, SaaS), and deployment models.
- Explored popular cloud services and providers.

March -2023

AWS Cloud Technical Essentials by (**Coursera**)
- Acquired fundamental understanding of Amazon Web Services (AWS), including Compute, Storage, and Databases services.

Aug-2023

Achievements/Extracurricular Activities:

- Presented tech fare PowerPoint presentations at Aditya College.
- Served as an NCC cadet at Sri Prakash Synergy School.
